Fruit and Vegetable Crops and Diseases

GPO 8-3591

M. R. N.

SPRING 1938

PLEASE READ CAREFULLY BEFORE ORDERING

This price list cancels all previous lists. We aim to send out bulbs of the best quality—clean, true to name, etc., equal to any regardless of where grown.

Prices and Terms: Cash with order, please. Kindly send money order if possible. All orders amounting to \$1.00 or over will be sent prepaid; orders less than \$1.00, add 15c for postage. We try to make our prices as low as other gladiolus specialists, doing away with all complicated discounts, coupons or other sales propaganda. As our old customers know, we are generous with overcount, oversize and valuable extras. We guarantee you will be pleased with the way your order has been filled.

At the East Bay Gladiolus Society show held in Oakland, Calif., July 15, with an entry of about 35 varieties we took 22 firsts, 9 seconds, and tallest spike in the show with Magna Blanca, 77 inches tall, from ordinary field culture. Our stock should also win for you.

Order early to avoid disappointments as in some varieties stock is very limited and will go right out. Kindly name second choice as WE DO NOT SUBSTITUTE unless instructed to do so, but may send next size smaller if out of larger sizes.

Five at 10 rate, 25 at 100 rate, 250 at 1000 rate; no item less than 10c please.

NO SMALL SIZES OR BULBLETS FOR SALE AFTER APRIL 1

California customers please add sales tax of 3%. All stock offered and orders accepted subject to prior sale.
